Therapeutic Riding Center

HORSE SPONSORSHIP | Rocky

MEET ROCKY

Rocky joined us at Crossing Bridges in September 2023. He is a 17-year-old solid colored Appaloosa Gelding. Rocky is a Bay and stands 15.1 hands tall. We purchased him from a lesson program in Medford, OR so he has a lot of experience working with beginner riders.

Rocky settled into our program quickly and is loved by all of our students. He has a very fun and quirky personality and keeps everyone laughing; his lips are constantly moving!

Despite his fun loving personality, under saddle he takes his job seriously and is very calm and quiet for his students. We are heavily relying on him currently to carry our adult size lead-line students who need a very calm and steady horse.

We are thankful to have Cliff & Cyndi Woodruff sponsoring Rocky's care each month!

Thank You
