#### MEET CHICA

Chica joined us at Crossing Bridges in July 2022. She is a 7-year-old Grade Appaloosa with a beautiful Snow-Cap Dun coloring! Chica is 15 hands tall and has the sweetest personality. She is always at the gate ready to come up for lessons.

This sweet girl was rescued with her Mom as a baby. She has had the same owner the last four years who trained her and helped shape her in to the horse she is today. Chica has been extremely trustworthy with all of our students. She has a very calm attitude about everything we throw at her!

Chica is doing lead-line and independent lessons in our program and is very versatile in the type and size of students she can work with. She has a wonderful walk and trot and is very consistent. We are hopeful that Chica is going to be a solid horse for our students to learn to canter on when they are ready to progress.

We are excited to have Chica on our team! She is a wonderful, sweet mare, with an amazing mind and heart. Crossing Bridges is thankful to Michael & Roxey Hammond for sponsoring Chica's care each month.
