MEET DIXIE

Dixie joined Crossing Bridges in February of 2024. She is a 19-year-old, Bay colored, Quarter Horse and stands 14.2 hands tall. Although she is not very tall, Dixie makes up for her lack in height by her extremely stout build. Dixie carries many of our adult size lead-line students who rely on their horse to be a steady and slow-paced ride.

We purchased Dixie from a ranch in Eagle Point, Oregon where she had spent her previous ten years with one owner participating in many of the different jobs on a ranch. Dixie was also used for pleasure trail riding and a number Search and Rescue missions. Her life experience has made her a wonderful asset to our program with her sweet demeanor and quiet nature.

Dixie's unique training has provided many of our more independent students the opportunity to learn different styles of riding cues. She has proven to be a great asset to our program, and we are so grateful to have found her.

We are thankful to have Cliff & Cyndi Woodruff sponsoring Dixie's care while she is in our program!

Thank You
