

# CROSSING BRIDGES

*Therapeutic Riding Center*

## HORSE SPONSORSHIP | *Doc*

### MEET DOC

Doc joined us in October 2022. He is a big, beautiful Sorrel Gelding standing 15.3 hands tall. Doc is a Quarter Horse and is approximately 28-years-old but he has aged extremely well and moves like he is much younger!

This sweet boy has settled in very well and loves his new job as a therapy horse. He has been doing independent lessons for the last three years, so he quickly adjusted to his job here.

Doc is an absolute saint and always gives 100%. He is an excellent beginner independent lesson horse along with excelling at our lead-line lessons and always being cautious and respectful of his rider. All of our students love him and his quiet demeanor and personality.

We are grateful to Grants Pass Active Club for sponsoring Doc's care at Crossing Bridges!

*Thank You*
