CROSSING BRIDGES

Therapeutic Riding Center

HORSE SPONSORSHIP | Dutch

MEET DUTCH

Dutch joined us at Crossing Bridges in August 2025. He is a beautiful black Gypsy and is Lizzie's last baby! Dutch stands 13 hands tall and is just 5 years old (the youngest horse we have used in our Program). We are currently leasing Dutch from the Boersma Family of Grants Pass, Oregon.

Dutch is an extremely smart boy and a quick learner! He has settled in quickly to our Program and picked things up very fast for how little riding experience and training he has. He has bonded quickly with our Staff and Students and is loving all of the attention he is getting.

Dutch is one of the most social horses we have had come through our Program. He LOVES kids! This boy seeks kids out to get love and attention from them and he gives the best kisses.

We are very hopeful about Dutch's future here in our Program. He has proven to be very safe and forgiving of our students and enjoys his job. While Dutch is currently doing mainly lead-line students, we are working hard with him to learn how to be an independent horse as well.

Dutch is lucky to have Partake Shop, Lounge + Dine and Scopa Properties, LLC sponsoring his care while he is in our Program.

Thank You
