MEET HOBO

Hobo is joining us back at Crossing Bridges after being gone for 4 years! We are very thankful to the Hobbs family for sharing their special boy. He was a star when he was here back in 2018 and worked with so many of our students.

Hobo is a 15-year-old Belgian/Thoroughbred. He is a beautiful Bay color and his coat changes color with the seasons! Hobo is our tallest horse standing at 16.2 hands tall.

We love Hobo's sweet personality and gentle nature despite his ginormous size. He is always willing to do what we ask of him and seems to love all the attention he is receiving! Hobo is very strong and sturdy so he is able to serve our adult size riders with ease. He is also a wonderful independent horse for our riders once they are ready to learn to ride on their own.

We are so thankful to have Hobo's owners, the Hobbs Family, and Double R Products sponsoring Hobo's care while he is in our program!

Thank You
