MEET JACKIE

Jackie arrived at Crossing Bridges on Thanksgiving Day 2019 from Corning, CA. She is a 16-year-old POA and stands 11.2 hands tall. Jackie is a very cute little pony with a dark past that we don't know much about. She has very clearly experienced abuse and neglect in her life. This was unknown to us until she arrived here in our program.

One of our staff members, Janelle, has put in countless hours of volunteer time working with Jackie and teaching her to TRUST again. When Jackie arrived here she wouldn't take a treat from your hand or let you clean her stall without cowering in the corner. She is now seeking out the kids and attention from them!

Jackie has made amazing progress so far. Over the last few months she has started doing lessons regularly at Crossing Bridges and she has been a huge hit with the students. They love her sweet demeanor and always take extra care to be careful and gentle when they are around her. She teaches them to stay quiet and calm. Her bouncy trot has been something they enjoy a lot as well!

We are excited to see what Jackie's future holds here at Crossing Bridges. We know her story and past will impact our students and give them hope. We are thankful to have Cliff & Cyndi Woodruff sponsoring her care!
