

CROSSING BRIDGES

Therapeutic Riding Center

HORSE SPONSORSHIP | Luke

MEET LUKE

Luke joined us at Crossing Bridges in December 2024. He is a sorrel gelding that stands 16.2 hands tall. Luke gets his height from being a Clydesdale, Thoroughbred, Quarter Horse cross.

Prior to coming to Crossing Bridges, Luke competed in dressage with his previous owner. This boy has proven to be very solid and calm with our riders; he stands well for games and listens well to his students. We are excited to have his versatility for both lead-line and independent riders. Luke has smooth gaits and a slow pace which helps our riders feel safe. He has been a very good boy.

Luke is a very big boy! He is a gentle giant at heart and very playful. Luke loves to move around in his field and have lots of space to roam. He also loves his friends and is very social with our staff and students as well!

We are thankful to have the Amaranthus Family Foundation sponsoring Luke's care while he is in our program!

Thank You
