MEET MOOSE

Moose joined us from Amity, OR in January 2021. He is a 17-year-old, flea-bitten-gray, Shire-cross gelding. Moose is a 16.1 hh gentle giant and he has already become a HUGE hit with our students.

This beautiful boy is retired from Eventing/Jumping. He worked hard when he was younger and was also a lesson horse in the past! He originally came from California where he was a favorite at the barn he was at and took wonderful care of his rider.

Moose has amazing movement and floats through the air when he trots. Our students all love his gaits and willing attitude. He is extremely gentle and well-mannered for his size. Moose always wants to please and takes excellent care of his students. He loves all of the attention and is very calm and quiet throughout his lessons.

We are so grateful to Trent & Mel McGee for sponsoring this awesome boy.

Thank You
