HORSE SPONSORSHIP | *Noah*

MEET NOAH

Noah joined us at Crossing Bridges in June 2025. We are leasing him from the Boersma Family of Grants Pass, Oregon. Noah is a 15-year-old Gypsy/Arabian Cross and he stands 14.3 hands tall.

This boy has lived at the same home his entire life so it was very new for him coming to a new place! Now that he has settled in, Noah has proven to be a wonderful fit for our Program. He is very calm and happy to have a job working with kids each day.

Noah is a wonderful size for our adult size riders; he is tall and strong enough to carry adults but is not wide. He is also not super tall so he can do lessons for our smaller riders as well!

We are very thankful to the Boersma Family for sharing Noah with our students and to Shawntai Chapman for sponsoring his care while he is in our Program!

Thank You
