HORSE SPONSORSHIP | Penny

MEET PENNY

Penny re-joined us at Crossing Bridges in October 2025! She was in our Program in 2019 for one year. We lease little Penny from Melissa Madsen of Grants Pass, Oregon. She has owned Penny for over 15 years and she had one foal during that time.

Penny is a 10.2 hand Welsh pony in her low-20's. We are using Penny for leading lessons only (she is retired from riding now). She does so well for our students to lead her around and practice horse handling skills due to her small, less-intimidating size.

Penny has a history with pony rides and birthday parties for kids down in California with her current owner. She has been a wonderful addition to our program and loves all the attention she is receiving each day. Penny is super sweet and loves children!

She was recently diagnosed with Cushing's so she does require medication and herbs for support with this. Her teeth are older so part of her diet is soaked pellets to help her maintain a healthy weight.

Penny is lucky to Christina Swanson sponsoring her care while she is in our Program.

Thank You
