MEET REECE

Reece joined Crossing Bridges in November 2025. He is a 16-year-old Paint gelding standing 15.1 hands tall and is registered with the American Paint Horse Association (APHA).

Reece was purchased from Corvallis, where he had been working as a trail horse for several years. He transitioned into our program seamlessly, demonstrating exceptional composure, reliability, and attentiveness. Reece consistently exhibits a calm and steady demeanor, along with a strong work ethic and a respectful disposition toward both handlers and students.

His versatility makes him an invaluable member of our herd. Reece is strong enough to accommodate our smaller adult riders, while remaining gentle and patient for our youngest participants. His steady temperament and kind nature have made him a favorite among students and staff alike.

We are grateful to have welcomed Reece into our program and are confident he will continue to make a meaningful impact in the lives of those we serve. His care is generously sponsored by Irvine & Roberts Vineyards and Gale Parker, whose support helps ensure his continued health and well-being at Crossing Bridges.

Thank You
