### HORSE SPONSORSHIP | Sydney

#### MEET SYDNEY

Sydney joined us back at Crossing Bridges in November 2022. We used her in our program for most of 2019-2020 and she was a very important member of our team then!

Sydney is now 21-years-old and she is a beautiful Dun, Paint. She is 15.1 hands tall; our students love her beautiful coloring and gentle nature. Sydney is extremely level-headed; she always keeps herself calm even when there is chaos around her.

We are excited to have this amazing girl back in our program; she absolutely loves children and seems excited to be back as well! She is extremely gentle and has a very steady pace which helps our students feel safe during their lessons. She seems to know what each student needs and connects with each child that rides her.

We are thankful to have RW Robinson, LLC sponsoring Sydney's care while she is in our program.

Thank You
